SUPPLEMENTAL RESPONSE

Commissioner of Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Dear Sirs:

Further to the response filed by Applicant on July 18, 2006, enclosed is a properly executed Terminal Disclaimer and a Certificate under 37 CFR 3.73(b). Submitting the Terminal Disclaimer should render moot the obviousness-type double patenting rejection.

Applicant submits that the present application is in complete condition for allowance. Should any issues remain after consideration of this response, however, then Examiner Singh is invited and encouraged to telephone the undersigned at his or her convenience.

Respectfully submitted,

Timothy A. Cassidy
